JULY 2021

New interior rendering of the entry of Fishers Library.

Fishers Updates

JULY 2021

Beginning July 15, the artist rendering will be on display in our lobby and kids can pick up a green HEPL construction hat.

AUGUST 2021

Site work continues to progress on our new main entrance. As a result, our Teen Zone has been temporarily relocated in the Youth Services program rooms while work moves into completing the future finished space.

Fishers Updates

OCTOBER 2021

The Fishers Library will be closed beginning Monday, October 4 - 8, including our exterior book drops. Due dates have been extended. Site work continues to progress on our new two-story main entrance and North parking lot. In addition, an exhibit of artist renderings of our reconfigured spaces is now on display from the lobby area.

NOVEMBER 2021

Interior work continues with improvements to the air handler and lower level demolition of walls in preparation for the new main entrance. It is expected that there will be a one day construction-related closure in Fishers sometime in November.

MARCH 2022

Site work continues on the new two-story main entrance and grounds. Pictured here is the 20,000-pound steel beam used to create the new North main entrance. Also pictured are the newly paved North and East parking lots.
