JULY 2021

Beginning July 15, the artist rendering will be on display in our lobby and kids can pick up a green HEPL construction hat.

AUGUST 2021

Site work continues to progress on the North parking lot. Contractors are planning to begin work on the main entrance in late September. At that time, the public entrance and book return will be accessible from the reopened North parking lot through the temporary entrance. Work currently underway at the Children's entrance includes forming the ramp in the children's exterior area and pouring a new patio just outside the meeting rooms.

OCTOBER 2021

In the coming months, our main entrance will be temporarily relocated, and exterior book drops will close. A new temporary entrance off Cumberland Road will open for visitors as work begins on the current main entrance and South parking lot.

Our North parking lot leading to the new temporary entrance will reopen in December 2021.

NOVEMBER 2021

The newly reconfigured North parking lot has been paved. It is anticipated that the North lot will reopen in mid-December. At that time, patrons and staff will enter the building through a new temporary entrance.

Site work continues on the Children's entrance to construct a retaining wall, stairs, and a switchback ramp. In addition, decorative lily pad-shaped outdoor seats are planned to give the Children's entrance a playful landscape.

DECEMBER 2021

We're reopening our newly reconfigured North parking lot and temporary main entrance on Monday, December 13. The existing main entrance will close. All visitors to the Noblesville Library must enter our new temporary public entrance pictured below. Construction work will begin on the South parking lot. Curbside pickup service is unchanged. Patrons may continue to access curbside pickup and the book drop at the current location in the South parking lot. Temporary main entrance to Noblesville Library (pictured below).

MARCH 2022

Springtime is coming! Construction in our Children's area is blooming! The new Children's Pavilion will offer space for outdoor programming, a new turf area, musical flowers, wood post seats, and areas to convene outdoors at our picnic tables. Site work continues on the newly constructed switchback ramp leading to the children's entrance.
