

**HAMILTON EAST  
PUBLIC LIBRARY**

## Volunteer Review Committee

Volunteers must be 18 years of age or older, a resident of the library’s service district (Delaware, Fall Creek, Noblesville, and Wayne Townships of Hamilton County), and a library cardholder. Volunteers will be selected for participation via random lottery.

Volunteers should expect to read the entire work under reconsideration and be prepared to consider the work as a whole; this can range from a few minutes for a picture book to many hours for a novel. Participation also involves attending a committee meeting to discuss and make a recommendation to the Library Board regarding the work under reconsideration.

Because this will be a function of an official library process, any documentation generated, including the names of participants, is to be considered publicly available information.
